\$705.00 was distributed to the seven neighborhood associations which provided volunteers for 47 work shifts. This leaves \$531.77 as INC's portion of the proceeds.

INC is called upon to provide volunteers for a number of special events during the year, which results in money for INC, fun for the participants, and funds for the neighborhoods from which the volunteers come.

INC's participation in the 2002 People's Fair has resulted in earnings not only for INC, but also for the neighborhood associations that assisted it in operating a beer booth. From the total earnings of \$1,236.77,

# From the Chair

By Wayne Jochem  
INC Chair

Hello, everyone! For those who don't know me, I'm Wayne Jochem (pronounced "Yocum") and I'm your new INC Chairperson. I'm sitting here thinking about what to write for my first article and I'm also told that is a monthly happening and that I have a deadline. Not that I wasn't aware of it, after all, I was the Vice-Chair for a little over a year and a half and I did read the newsletter -- it just kind of came quicker than I had anticipated, kind of like the holiday and tax seasons. I also can't seem to make up my mind about the simple things such as when to do laundry or mow the grass let alone figure out what to say to you, the membership and subscribers of the INC newsletter, given all the stuff that always seems to be happening throughout the city and our neighborhoods.

For this first of many articles to come, I want to start by saying thank you to Fred Corn and Jeannie Robb for their time, effort and dedication to INC and neighborhood issues. Be sure that I'll be keeping in touch with both of them as some issues they have worked on still linger in the background, and I'd like to wish them both good luck on their runs for City Council positions. I would also like to say a big "Thank You" in advance to the remaining board members, committee members, other INC volunteers, you the membership and the various city officials I will be calling upon. My reason for this is simple. Having been involved with neighborhood issues for a total of slightly over 2 years, I was and still feel that I'm new to the many ongoing issues within the city. Many of you understand the way the system works and have been involved in volunteerism, neighborhood issues, governmental process, etc., for some time and, needless to say, you know what is going on and how to get things done.

I will be relying on all of you for your insight,

advice and help in keeping INC on top of the issues that are important throughout the city. In doing this, I would ask member neighborhood groups, subscribers and others, including city officials, to write, phone or e-mail me to let me know what is going on or what concerns

you have. While INC tends to focus more on citywide issues, this doesn't mean that your local issues are not important. Local issues can have far-reaching effects such as the issue of pop-tops, traffic and condemnation rights, to name a couple. Listening to your issues and concerns will also better help us in making decisions in deciding whom we should be inviting as guest speakers to our monthly meetings. For the most part all of our guest speakers have had a sincere desire to want to be at our meetings to address the concerns of our membership, and all have been very knowledgeable in their areas of expertise. For this I'd like to thank our past and future guest speakers because without them it would be a lot tougher to address our memberships concerns as we, the INC Board, don't always think of or ask the questions that the membership come up with.

I guess that before I call it a night, I want you to be aware that I have made a couple of appointments. I have appointed Elizabeth Hamilton as Vice-Chair and Lew Gaiter, Jr., as Delegate-at-Large. This does leave one Delegate-at-Large position and the Parks and Recreation Chairperson positions open. If anyone is interested in these positions, please contact me or any board member or stop by our next monthly meeting. Lastly, I should let you know how to get ahold of me or to at least leave me a message. You can contact me at my home phone number listed on the back of this newsletter. In addition, my e-mail address is Wjochem@aol.com. If you choose to e-mail me, please start the subject line with "INC." I ask this as I do get a lot of "junk" e-mail and tend to delete mail from unknown sources or which appears to be sales solicitations.

I am looking forward to talking with and working with you all.

## Dollar Dictionaries Have Arrived & Need Labels

By Cathee Fisher  
Co-Chair

INC Dollar Dictionary Committee

There is a connection between our neighborhoods and our students. The schools are our neighbors and part of our community fabric. The labels placed in each dictionary and thesaurus given to the third grade students in Denver Public Schools recognizes that connection. The label does not change any of the information between the covers of each book, but it does answer the "how come I got this book?" question. The Dictionary Drive is a neighborhood program to provide our young citizens with a tool for life-long learning. The gift labels let each student know there are fellow neighbors and citizens who believe in their future. It is the value-added part of the program.

Specific to the labels for each of the 90 elementary schools is the list of the surrounding neighborhood organizations that as members and non-members of INC are a part of each school's community.

Your help with labeling the 17,000 books to be distributed this year is needed.
