Re: Letter of Support for Graham Bible House Grant

Dear Mr Turner and Members of the Review Committee:

On behalf of Inter-Neighborhood Cooperation (INC), please accept this letter of support for the renovation of the Graham Bible House. INC's mission is to advocate for Denver citizens by bringing together, informing and empowering Denver neighborhood organizations to actively engage in addressing city issues. INC is an association of more than 100 Registered Neighborhood Organizations (RNOs) from neighborhoods throughout Denver.

This letter is in support for a grant application to rehabilitate and restore the exterior of the Graham Bible House to include restoration of the masonry foundation, restoration of the existing wood windows and installing storm windows, replacing and repairing exterior missing or damaged wood siding.

Thank you for your consideration for funding the restoration of the Graham Bible House in order to preserve an important piece of the history of Denver's City Park. Please do not hesitate to contact me at 720-490-1991 or by email at President@denverinc.org if our organization can offer any additional support or assistance in your decision making process.

Respectfully yours,

President, INC
