Re: Southwest Improvement Council's Foreclosure Prevention Program and Housing Counseling

Dear Contract Selection Committee,

On behalf of Inter-Neighborhood Cooperation (INC), please accept this letter of support for the renovation of the Graham Bible House. INC's mission is to advocate for Denver citizens by bringing together, informing and empowering Denver neighborhood organizations to actively engage in addressing city issues. INC is an association of more than 100 Registered Neighborhood Organizations (RNOs) from neighborhoods throughout Denver.

SWIC serves the entire city of Denver. Access to affordable home ownership, home safety, affordable rental housing and prevention of home foreclosure is of concern for all Denver neighborhoods. SWIC has been a reliable source of housing information on all these topics along with effective individual housing counseling and help for families in need.

We support SWIC's application to the Office of Economic Development for a housing counseling contract.

Thank you for your consideration,

Larry Ambrose
President, INC
