Proposed By-Law Change

At the December 14, 2015 Executive Meeting the Board voted to present a proposed change to By-Laws (See strikethroughs) to the Delegation at its January 9, 2016 meeting. This change will allow memberships to be collected as 12-month memberships instead of calendar year memberships per a motion made and passed at the Nov 2015 Executive meeting . Please see Executive Committee minutes from Nov. 2015 for history and motion made.

PROPOSED POSITION STATEMENT
Below is the proposed INC Position Statement
which was adopted by the ZAP Committee on
December 12, 2015 for referral and adoption by
INC delegates at the INC delegate meeting
scheduled for January 9th.

**INC's Position Statement In Support of the
'Housing First' Approach to Address
Homelessness**

- *INC neighborhoods do not stand by and let neighbors endure the downward spiral, the rigors, the disruption, the dislocation, and the danger of homelessness.*
- *INC supports "Housing First": immediate and permanent accommodation of homeless neighbors in professionally managed and professionally supported housing, with equitable and appropriate metro-wide distribution.*
- *INC calls on the City to partner with neighborhoods to plan for, locate, and create funding to effectively develop, staff, operate, and maintain needed housing, using all sources of funding*

**From the President: A Big Year
in Perspective**
*The year 2015 has marked
unprecedented
accomplishments for INC.*
With the help of the Delegation,
INC Committee Chairs, Co-
chairs and Members, and a
myriad of folks from RNOs and
the community, there can be no doubt that INC has
tried to make, and in some cases made a difference in
the course of events and direction of public policy.

It was not coincidental that the year began on positive
note with the January 28 INC Awards Banquet at the
Wellshire Inn made possible by the generous
sponsorship of Visit Denver. Neighborhood activists
had a rare chance to toast, break bread and laugh with
City officials while we celebrated and recognized those
individuals, teams and groups who have, without
expectations of recognition, practiced giving, purely for
the civic good.

We had the pleasure of awarding eleven Neighborhood
Stars, three Memorial Awards and a Lifetime
Achievement Award.
