stop and listen to the citizen outrage. The Zoning Code needs to be changed based on neighborhood concerns and on information and advice available to them from experts both here in Denver and around the country. Tragically, it may be too late for some neighborhoods, but doing nothing should not be an option." [Read Column](#)

## "Community Heart and Soul

reconnects people with what they love most about their town and translates those personal and emotional connections into a blueprint that serves as the foundation for future community decisions."
