From the Presidents Corner

For Denver residents, winning the Super Bowl is indeed one more reason we have to be proud of our City. We are proud of its history, its diversity, its climate, its institutions and its culture including its sports teams; K-12, collegiate and professional.

Another thing that has always stood out about which we could be proud was the perception that Denver was a clean city. This was something that was noticeable especially in the spring and summer after a long a dreary winter. A lot of credit is due to the men and women of Denver Public Works who have done their job for years with little fanfare or recognition.

INC Seeks Board Members for 2016

INC is seeking members to run for its Board of Directors for the 2016-2018 term (two years).

To be eligible, you must be a delegate from your member RNO and dues must have been paid by start of the Annual Meeting on Saturday, March 12. The election will take place at that meeting. Please ensure your RNO renews its INC membership so that you can vote at the March meeting. Board terms of office are for two (2) years, with a limit of three (3) consecutive terms: This term would then be March 2016-Annual Meeting 2018. Five (5) positions on the Board are up for election. Those positions are: President, Secretary, and three Delegates-at-Large.

The current vice president has resigned his post as of end of the March 12 meeting which leaves a vacancy for one year of that term. The new president will appoint a replacement which must be approved by the BOD, then by the delegation. If you have interest in this position, please also let us know!

All candidates must be formally nominated at the time of the election; therefore,

- *The Evans Bridge Beautification Project*: Overland Park neighborhood Association, Mara Owen, President
- *The Citizens Exploratory Committee for Health and Safety*: Joan Seeman
- *Gayle Rodgers* Southmoor Park South Neighborhood Association
- *Jennifer Engleby*: University Park Community Council
- *Shirlie Schley*, Slones Lake
- *Anthony Thomas* (posthumous) Civic Association of Clayton

Blueprint Denver and Citywide Planning

This spring, the City and County of Denver will ask residents citywide to share your ideas and dreams for the future of your city. What are your priorities for mobility, open spaces and for directing growth? What are your ideas for building and preserving healthy, sustainable communities — from Highland to Hampden, from Montbello to Mar Lee?

This topic will be presented April 23, 2016, at the INC Zoning and Planning Committee Meeting.

PROPOSED POSITION STATEMENT

Below is the proposed INC Position Statement which was adopted by the ZAP Committee on December 12, 2015 for referral and adoption by INC delegates at the INC delegate meeting scheduled for January 9th.

INC's Position Statement In Support of the 'Housing First' Approach to Address Homelessness

- *INC neighborhoods do not stand by and let neighbors endure the downward spiral, the rigors, the disruption, the dislocation, and the danger of homelessness.*
- *INC supports "Housing First": immediate and permanent accommodation of homeless neighbors in professionally managed and professionally supported housing, with equitable and appropriate metro-wide distribution.*
- *INC calls on the City to partner with neighborhoods to plan for, locate, and create funding to effectively develop, staff, operate, and maintain needed housing, using all sources of funding*

candidates are encouraged to provide their names and desired positions to the INC President as well as be prepared to have someone nominate you from the floor at the time of the elections
