Addendum to Minutes August 8, 2020 INC Delegate Meeting

Do you vote to approve the revised and restated ZAP Resolutions (below) relating to Denver's proposed Group Living Amendment?

Resolved, that additional time should be given (with timing taking into account how the pandemic is affecting residents of Denver) for further consideration of the proposal in order to allow council members to make sure that their constituents are educated on the proposal and its implementation/effect, including specific outreach to communities of color;

Further Resolved, that this process should seek to incorporate compromise language offered to address constituent concerns;

Further Resolved, that provisions of the proposal should be unbundled to allow full consideration of each material aspect of the proposal and, when outreach and compromise is achieved to the satisfaction of council members, such portion should be adopted separately.

Resolution was sent via email invitation to Survey Monkey online ballot on August 8, 2020, following the Delegate meeting held that day. Ballot closed Monday August 10, 2020 at 230PM. The vote indicates 45 delegates representing 35 RNOs.
