18:57:00 From Sandra Robnett : Thanks for all you do Leslie

18:57:31 From Wanda Osterman : You can always ask the auditor for all
information. They are there for the very reason we discussed- they know Park and
rec is difficult with communications.

18:58:01 From Amber Clark : Yes, and please remember that some of us cannot
access even antenna TV. For me, it is due to being in the shadow of the hill that
Loretto Heights sits on. A internet accessible option provided by the city, please.

18:58:34 From Amber Clark : Our neighborhood publishes monthly, so I would
vote for a minimum 2 month open time period.

19:00:12 From Maggie Price : Thanks for your info Amber, I had no idea

19:00:52 From Maria Flora : Thanks, Leslie. You're a great PRAB
representative.
