09:30:16 From LaMone Noles, D-EDRC to Keith Meyer(Direct Message) : Good morning. FYI - I got to leave around 950am for another meeting. Thanks!
09:31:14 From Keith Meyer to LaMone Noles, D-EDRC(Direct Message) : Good morning. Thanks for the heads up. Did you want to say anything about DEI Committee work?

09:44:33 From D-Bruce Baskette (HH/WP) : Status of INC Parks Committee? (Is there still one?)
09:45:24 From Adam Meltzer : I don't think it is active at this time. If you are interested in leading it, let us know.
09:46:17 From D-Bruce Baskette (HH/WP) : My co-INC rep is the one telling me there doesn't seem to be one.
09:50:00 From Keith Meyer : The Sustainability committee is currently covering some of these topics and we're working to get these incorporated into our programming as well.
09:51:41 From D Carol Hunter-Central Park : Speaker sound unclear.
09:53:20 From Judy Baxter : How is it now Carol?
09:55:22 From LaMone Noles, D-EDRC to Keith Meyer(Direct Message) : how many positions for at large are open?

10:07:11 From D-Bruce Baskette (HH/WP) : Has anyone with DOTI responded to Robert Bailey and his weekly rants about composting every Monday? Is he right about anything he's been saying?
10:12:40 From Adam Meltzer : No idea. If you have a question for our speaker I can ask it for you, but I think it needs to have a little more detail. I don't know who Mr. Bailey is and what he is ranting about.

10:14:01 From D-Bruce Baskette (HH/WP) : He speaks to City Council every Monday during the Public Comment Period about how ineffective Denver

10:14:43 From D-Bruce Baskette (HH/WP) :Denver's composting is.

10:15:37 From D-Bruce Baskette (HH/WP) : Jamie Torres will know who he is!

10:16:15 From Adam Meltzer : Jamie has left.

10:17:35 From D-Bruce Baskette (HH/WP) : If anyone there watches council meetings on Mondays, they will recognize the name. He always has big white charts.

10:18:07 From Adam Meltzer : Bruce. If you have a specific question, please put in the chat.

10:18:26 From Keith Meyer : We can try to make sure to ask Nina about this

10:21:36 From d - myles tangalin - Congress Park Neighbors : Do you have stats on how much trash/recycling each unit generates in higher density buildings? What are the impacts currently and in the future from these new buildings? Many large +400 unit buildings are being constructed, what are the possible trash/recycling impacts from these new structures?

10:22:09 From D Carol Hunter-Central Park : Thanks for holding questions until the end.

10:23:17 From d - myles tangalin - Congress Park Neighbors : What are the future plans for the cities density growth and rising trash/recycling into the future? Would there be some type of limit on the cities growth?

10:29:44 From d - myles tangalin - Congress Park Neighbors : Why limit online questions?

10:29:44 From Adam Meltzer : Myles, I do know that multifamily are contracted through private haulers. The city might not have stats on those, but we will get the question to Nina.

10:30:36 From d - myles tangalin - Congress Park Neighbors : This maybe our only chance to ask these types of questions and everyone can hear.

10:30:59 From Keith Meyer : Nina has to leave in 1 minute. We are trying to respect her time. She has agreed to answer all the questions from the chat and get those answers to us. We will get these out within the next few weeks.

10:34:07 From Adam Meltzer : The City also has a ton of resources online about waste and recycling at denvergov.org

10:36:44 From Keith Meyer : Online participation is welcome as well

10:37:27 From Keith Meyer : If anyone has something that they would like to mention for Around the City

10:37:52 From Adam Meltzer : Please raise your hand online

10:39:40 From d - mylestangalin - Congress Park Neighbors : I looks like online participation has technical limitations. We will learn to adapt.

10:40:44 From Keith Meyer : Bruce is speaking from online and we can hear him at SWIC in person.

10:41:10 From D- Ellen Roth, South City Park : South City Park Neighborhood Association and Congress Park Neighbors are hosting a meet and greet on March 15th with D10 candidates and At Large Candidates in lieu of our March meeting. This will be in person at Montview Manor. It's more about individual conversation than a large debate, but we're excited to host 10 candidates!

10:41:16 From D Carol Hunter-Central Park : I'd like to speak.

10:41:42 From D- Ellen Roth, South City Park : (Someone feel free to read, I'm trying to get my baby down for a nap)

10:42:05 From Keith Meyer : ok Carol - we'll get you qued up

10:43:14 From D- Ellen Roth, South City Park : Montview manor is also

worried about a large turnout, so we're prioritizing our two RNOs rather than opening it up broadly

10:46:40 From D-Bruce Baskette (HH/WP) : Our RNO had started out emailing some of the nearby surrounding RNO leaders: but got zero responses. But it was a mistake for us to provide a general notice to our council office!

11:02:55 From Adam Meltzer : We would love people to come in person to the next meeting. It's easier to engage and we have cupcakes, scones, bagels, coffee and lot of snacks! Please join us on April 8th in person if you can.

11:05:16 From David Mondock : What is the date and time of the next meeting?
