

08:36:29 From Inter-Neighborhood Cooperation : Welcome Everyone to the May 2023 INC Community Meeting. We will start here at 9:15

09:21:29 From Joanna Rosa-Saenz VP & Education Chair/Denver INC : That is wonderful to hear they have a food pantry!

09:22:19 From LaMone Noles, D-EDRC to Inter-Neighborhood Cooperation(Direct Message) : I need to jump off the call at 945 for another event.

09:23:23 From Inter-Neighborhood Cooperation to LaMone Noles, D-EDRC(Direct Message) : ok - thanks for letting me know. I am going to play a short clip of you and Jim having a conversation for the dei section.

09:25:24 From Inc Owls : Reacted to "Bill Tanner, CCE" with 🙏

09:43:43 From LBCRNO - Blake Davis : what is a fugitive emission?

09:44:30 From Inc Owls : Emissions from Oil and Gas manufacturing and drilling

09:44:51 From LBCRNO - Blake Davis : thanks

09:53:48 From D-Bruce Baskette (HH/WP) : My RNO's next likely scheduled meeting isn't until Sept.

09:55:35 From Bill Tanner : My RNO meets Monday so would like link today

09:57:12 From D- Ellen Roth, South City Park : Agreed, Trupti!

09:57:42 From D - Pete Winterscheidt - HUNI : My rno has expressed a lot of similar concerns. They are increasingly uncomfortable with a small group of individuals voting for or against a political position

09:57:54 From Bryan Wilson : I'm not aware of a survey or even an email notice about this from Congress Park Neighbors.

IMO, these need to be made available to EVERYONE who lives within the boundary of the RNO.

09:59:15 From Inc Owls : No email has been sent out yet.

10:00:05 From D Judy Baxter Montclair : @Bruce- if you have a distribution list to your members and/or board to send out the links.

10:00:19 From Inter-Neighborhood Cooperation : Here's a link to the agenda which has links to the platform and the video presentation - <https://docs.google.com/document/d/1aYhLjMXYYpwrbeTDS3Mx4ZspTFAXAVCw/edit>

10:00:30 From LBCRNO - Blake Davis : I have a question for the discussion once discussion in room is complete.

10:00:33 From Bill Tanner : Thanks

10:01:55 From D- Ellen Roth, South City Park : We do the same in South City Park - the neighbors get the chance to vote and it would be great to remove the middle man.

10:05:33 From Bryan Wilson : Reacted to "We do the same in So..." with 👍

10:06:36 From Bill Tanner : CCE has a monthly newsletter

10:10:48 From Inter-Neighborhood Cooperation : Reacted to "CCE has a monthly ne..." with 👍

10:11:03 From Bryan Wilson : Regarding what Lou Raders was saying about the process being "Democratic."

Is there a mechanism to verify that RNOs hold open elections?  
What about selecting their Delegates to INC?

Might be worth exploring.

Maybe that is something that can be discussed by the Executive Board.

10:14:06 From D- Ellen Roth, South City Park : Do you offer the non-profit rate to RNOs if they are registered with the city even if they aren't registered non-profits?

10:17:40 From Bill Tanner : On using surveys to get community feedback... being able to say to the city that x thousand voters voted to support a platform would be very powerful and give INC more authority. The other side of the issue is practicality. How many RNOs can actually send members a survey? Will average citizens engage with surveys if there are a lot of surveys? We've had high participation on local development but I don't know how much we would get on general issues.

10:18:18 From Bill Tanner : Btw ... what happened to the INC survey on member RNO priorities and issues?

10:20:11 From Inc Owls : For everyone online. Not everyone on the Inc board is online monitoring the chat. We can table some of these questions for discussion and follow up.

10:20:49 From Bryan Wilson : Reacted to "For everyone online...." with 👍

10:23:21 From Inter-Neighborhood Cooperation : Please post questions here regarding membership and engagement in RNOs

10:26:34 From Carol Hunter D Central Park to Inter-Neighborhood Cooperation(Direct Message) : When will the DEI presentation begin? Thanks.

10:26:54 From Inter-Neighborhood Cooperation to Carol Hunter D Central Park(Direct Message) : in about 5-10 minutes

10:30:00 From D - Nolan Hahn La Alma Lincoln Park : How do RNOs engage with renters?

10:30:44 From D- Ellen Roth, South City Park : We have block captains in secured buildings that help us spread the word and then also deliver flyers to the apartment managers to post in mail rooms, etc.

10:31:45 From D - Nolan Hahn La Alma Lincoln Park : Reacted to "We have block capt..." with 👍

10:32:48 From D Judy Baxter Montclair : Who is speaking and where are they from.

10:33:29 From Inc Owls : Hard to say Judy. I don't know everyone's name. We should remedy that.

10:34:45 From Inc Owls : @Tim McHugh - Block captains would be great for WPENA.

10:37:47 From D- Ellen Roth, South City Park : Reacted to "We have block captai..." with 👍

10:37:48 From D- Ellen Roth, South City Park : Removed a 👍 reaction from "We have block captai..."

10:42:17 From Bryan Wilson : Replying to "Please post question..."

Have we asked if the City of Denver can include information about the existence of RNOs & the [denvergov.org/RNO](https://denvergov.org/RNO) link in agency mailers?

Maybe it can coincide with the RNO renewal/registration period.

10:43:03 From D- Ellen Roth, South City Park : Replying to "Please post question..."

That's an awesome idea!

10:43:27 From Carol Hunter D Central Park : We heard this.

10:44:40 From Inc Owls : I don't think so Bryan. We've got a long list going from this chat. Thanks!

10:48:19 From LBCRNO - Blake Davis : rest of agenda?

10:52:39 From Inc Owls : Scroll up to the top of the chat and there is a link to the agenda. I can't cut and paste it.

10:53:42 From LBCRNO - Blake Davis : thanks

10:54:25 From D-Bruce Baskette (HH/WP) : He keeps saying "DIB": what does his B stand for?

10:54:51 From Inc Owls : I think it is Diversity Equity Inclusion and Brotherhood.

10:55:07 From D Judy Baxter Montclair : Adam- Someone needs to save the chat. I think Maggie does that.

11:02:20 From Inc Owls : Reacted to "Got to sign off - th..." with 👍

11:05:27 From Carol Hunter D Central Park : I'd like to know what LaMone thought of the discussion.

11:05:56 From D myles tangalin Congress Park Neighbors : Please be aware using language such as "them", "those" is separating and creating other and not focusing on similarity.
