

00:18:52 Luchia Brown: I saw that. Ugh
00:19:49 Luchia Brown: Lots of Baker people worrying about land use! We should get together
00:20:04 Jim Samuels: I agree
00:20:15 Kimmy Head: I agree
00:20:15 Bryan Wilson: Land-Use folks, join the Zoning & Planning Committee of you can. (ZAP)
00:21:11 Bryan Wilson: <https://www.denverinc.org/zoning-and-planning/>
00:21:39 Luchia Brown: Do we have someone running the committee now?
00:21:56 Adam Meltzer _CAS Committee Chair: Me!
00:22:00 Bryan Wilson: Someone from Baker?
00:22:24 Kimmy Head: Me
00:22:30 Jim Samuels: Me
00:22:31 Luchia Brown: Does INC still have a parks committee or has that been wrapped up into this committee?
00:23:51 Keith Meyer: The Parks Committee is not currently running, but we are trying to address some of those issues in this committee at this point.
00:24:29 Jim Samuels(bakers): Can we create a bakers neighborhood land usage committee
00:25:15 Kimmy Head: Anyone else been thinking about renewable alternatives to combustion engines and how they affect developing third world nations
00:25:31 Jim Samuels(bakers): I agree
00:27:47 Lyric Mcknight - she/her: Hi, I arrived late. I'm in Harvey Park. this conversation seemed to be taking a certain direction, so excuse me if I'm not speaking to the correct ??? I am passionate about many sustainability issues, but neighborhood-wise, I'd like to reduce usage of pesticides/herbicides and encourage native plantings to replace a large percentage of unused Kentucky bluegrass.
00:28:21 Bryan Wilson: PARC
bryanbybike@gmail.com
00:28:51 Ronda Lambatos: Ronda Lambatos- Highlands
00:29:52 Keith Meyer: Reacted to "PARC bryanbybike@gma..." with 👍
00:30:18 Luchia Brown - Baker: Could everyone else please just mute
00:30:47 Kimmy Head: Thanks for that
00:31:43 Adam Meltzer _CAS Committee Chair: Reacted to "Hi, I arrived late. ..." with 👍
00:33:18 Keith Meyer: Just an FYI - If there is anyone interested in learning more about alternative transportation plans in Denver, INC hosted a great discussion this past Saturday. You can check out the video presentation here - <https://youtu.be/b-1Dv1FWXck>
00:37:11 Jim Samuels(bakers): 55% of communities with over a 150 combustion engines per capita have a 34.72% reduction in bird hour usage
00:38:05 Sean Brady: Anyone wanting native plants:
<https://frontrange.wildones.org/denver-plant-swap-landing-page/>
00:38:35 Keith Meyer: Reacted to "Anyone wanting nativ..." with 👍
00:38:40 Jim Samuels(bakers): House usage
00:39:14 Adam Meltzer _CAS Committee Chair: Let's put the questions in the chat for now. Thanks!

00:39:24 Keith Meyer: Great xeriscape resource. Garden in a Box program - <https://resourcecentral.org/gardens/>

00:41:54 Lyric Mcknight - she/her: There will be a native plant swap and giveaway on Saturday, June 24 from 10-1 at earthlinks. <https://frontrange.wildones.org/denver-plant-swap-landing-page/>

00:42:34 Lindsay Cutler: Maureen, your yard is beautiful! I know that NWF would love to see pictures and know that you're doing this presentation. They are actively trying to promote the program in Denver. Thanks for sharing with us!

00:50:10 Luchia Brown - Baker: thank you!

00:51:26 Jane Potts- Rosedale Harvard Gulch: Thank you Councilwoman Torres

00:51:48 Jamie Torres: Reacted to "thank you!" with 👍

00:51:57 Jamie Torres: Reacted to "Thank you Councilwom..." with 👍

00:53:18 Adam Meltzer _CAS Committee Chair: Reacted to "Thank you Councilwom..." with 🙌

01:04:05 Judy Baxter: I would like a key to the map of the different colors on that Denver neighborhood map. Maybe I missed it.

01:05:22 Jane Potts- Rosedale Harvard Gulch: I need to leave the meeting now. Thanks to the speakers who have motivated all of us to take an active role in our city's climate issues. If you know someone in your neighborhood who has taken action, remember to nominate them for a Neighborhood Star Award.

01:05:38 Adam Meltzer _CAS Committee Chair: Reacted to "I need to leave the ..." with 👍

01:10:12 Tom Strobel: Lindsay very nice presentation, could you talk a little about the carbon cost of getting a tree to the planting site and how important the stewardship of that tree is to protect that investment.

01:10:24 Lyric Mcknight - she/her: Reacted to "I need to leave th..." with 👍

01:26:15 joedy Arnold: Can anyone address the mandated HOA request for each homeowner to spray for ips beetle. I question the idea of just spraying everything routinely. Who can answer the possible need for this action?

01:28:08 Lyric Mcknight - she/her: which HOA?

01:30:33 Sean Brady: I wish the conversation of developer vs tree was more of a conversation of road building vs tree; and trees would win. Too much public space given to car transport and parking.

01:30:54 Keith Meyer: Reacted to "I wish the conversat..." with 👍

01:32:22 Adam Meltzer _CAS Committee Chair: <https://supportforgreendenver2023.info/>

01:34:22 Lindsay Cutler: Thanks all, I've got to hop off - juggling the summer shuffle of kids with different schedules, sports, and pickups

01:34:39 Keith Meyer: Keith Meyer - meyerk@gmail.com

01:35:21 Lyric Mcknight - she/her: Yeah, it's a bandwidth thing

01:35:56 Lyric Mcknight - she/her: Thanks!!!
