

00:32:28 Jeff Neuman-Lee: What about maintaining the old stone side-walks? Is it too hard to level them?

00:48:38 Jeff Neuman-Lee: I got rid of my gas meter in July. Fully electric! (Except our back up car.)

00:48:49 Adam M - Chair: Wahoo!

00:55:25 Jeff Neuman-Lee: I say, that for some of us who can just do it, we should just go ahead and buy heat pumps.

00:57:14 Jeff Neuman-Lee: We had a swamp cooler, but then the enveloping smoke - it does nothing but push smoke into the house.

00:59:26 Keith Meyer: Can we get your slide deck Mac?

01:06:15 John Inzina: Are low income individual owners in large condo buildings able to qualify for the free solar credits and use them towards the buildings energy usage? Our building has about 45 units and was sent a letter by CASR that we'd be fined over \$1 million through 2030 for our energy usage

I am not connected to them in anyway and cannot vouch for them, but they are here in Denver.

01:13:42 Jeff Neuman-Lee: It's not written yet, but I know that Councilmembers Parady and Watson (maybe others?) are working on some legislation concerning getting heat pumps into poorer folks homes.
